Supply Chain Solution WORLD-TRACE

Our pricing models are as flexible as our supply chain solution.

www.bio-inspecta.ch/en/world-trace

Charges based on participants and transactions	Price (EUR)	per
Participants – confirmation of transactions only	Free of charge	
Participants – recording and confirmation of transactions		
1 st – 50 th participants	19.50	participant and month
51 st – 250 th participants	9.50	participant and month
251 st + participants	4.50	participant and month
Internal transactions	Free of charge	
Internal transactions take place within the same participant. They include, for example, the combining of quantities, processing, or the recording of losses.		
External transactions	1.–	transaction
External transactions involve the flow of goods between different participants in the supply chain.		

Billing by quantity

Do you prefer billing by weight, number of goods or head of livestock?

We shall be happy to offer you a price adapted to your project.

Lump-sum price

Do you want to fix a price in keeping with your budget at the start?

We shall be happy to offer you a price adapted to your project.

We are happy to help you get your project off the ground.
