

What do I have to do in order to use the "Bio Natur Plus" seal of quality:

Steps to product certification	
1.	The following four documents apply as a basis: the BNP guidelines, BNP Instruction, the BNP Annex Fair Trade and the form: Use of the «Bio Natur Plus» label. These can be requested at foodlabels@manor.ch , completed and returned to Manor.
2.	<p>New bio.inspecta customers:</p> <p>Subsequently, the company registers with bio.inspecta for the inspection procedure. The registration form can be found here: https://www.bio-inspecta.ch/docs/transfer/23_022EN.pdf Afterwards, you will be contacted by bio.inspecta for the inspection appointment.</p> <p>Existing customers:</p> <p>The new service is automatically assigned to the customer and is thus carried out at the next inspection.</p>
3.	All labels and packaging with the "Bio Natur Plus" label must be uploaded via Inspectanet and approved by bio.inspecta before being used.
