To Whom This May Concern:

bio.inspecta AG (BIOI) is a United States Department of Agriculture (USDA), National Organic Program (NOP) accredited certifying agent. Furthermore, BIOI is authorized to issue USDA NOP organic certification to crops, handling, livestock and wild crops operations that comply with Title 7 Code of Federal Regulations (CFR) Part 205.

BIOI's accreditation certificate indicates a renewal date of April 15, 2024; however, its accreditation is in good standing and continues to be valid. USDA NOP granted BIOI an accreditation term extension until its accreditation renewal assessment is completed. USDA NOP expects the assessment process to conclude during 2024.

For questions concerning BIOI's status, please contact the NOP at (202) 720-3252 or NOP.Guidance@usda.gov.
