

**Information sheet: Submission of new products, changed recipes/formulas, changed product labels**

You can enter orders for the assessment of new products or changed recipes/formulas and changed product labels in accordance with the following organic regulations/labels in **Orders**:

Arrangement CH-USA	Swiss Mountain and Alpine Pasture Ordinance (BAIV)
Swiss Organic Farming Ordinance	Coop Miini Region
Demeter*	MSC/ASC new species, suppliers, sites, subcontractor, contact, activities, change of address, changes in CoC reporting or expansion of the scope
Migros Bio	
Bio Natur Plus	
Labels with the EU Organic Logo	
NOP	
Suisse Garantie	

\* Client orders for Demeter certification will first be forwarded by us to Demeter for licencing; subsequent to licencing we will proceed with the certification.

Requests for approval of products under the following labels can be submitted directly **to the certification body**, as before. All documentation relating to approvals under the labels Bio Suisse will subsequently be forwarded to us by the certification body so as to ensure product certification by bio.inspecta AG prior to market entry.

alpinavera	Bio Suisse	Fairtrade/Max Havelaar
Manor Lokal	MSC/ASC labels	Rainforest Alliance
Hochstamm Suisse Association		

**Other labels:**

Bio Weide Beef	see Migros Bio
MSC/ASC Labelling of new products	Product labels for new products must be submitted to the MSC (Marine Stewardship Council International). Contact: ecolabel@msc.org. Product approvals are issued by the MSC, usually by e-mail. Products that are purely retail products to which you affix no additional labelling do not need to be submitted to MSC.
NATRUE	via Orders
GKZV (Swiss Poultry Labelling Ordinance)	via Orders stating the meat's origin and providing the suppliers' certificate
AB France	New products and product labels via Orders (same as products under EU Organic Reg.). Advertising material must be submitted to AB France for approval of printing proof. <a href="http://www.agencebio.org/">www.agencebio.org/</a>
KAG Freiland	via Orders

Coop Miini Region Naturaplan	via Bio Suisse and Orders
Naturland	New products and product labels must be submitted to Naturland. <a href="http://www.naturland.de">www.naturland.de</a>
JAS	New products and product labels must be submitted to the CERES certification office. <a href="mailto:ceres@ceres-cert.com">ceres@ceres-cert.com</a>
